Wes,  
Do you believe it's the end  
of your senior year? Now  
it's my turn to be a  
senior. Does that mean  
you won't have seniority  
anymore? On the serious  
side, Psychology has been  
fun. Not saying that the  
school year wasn't. I  
know I'll see ya over the  
summer. (at least a few  
times.) Well, Good Luck  
in the madhouse world.

Love,  
Laura ☺

WES,  
I BET YOUR GLAD YOUR  
A SENIOR! I'VE STILL  
GOT ONE YEAR TO GO!  
GOOD LUCK DOING  
WHAT EVER IT IS THAT  
YOUR GOING TO BE  
DOING. I KNOW YOU'LL  
DO WELL IN WHATEVER  
YOU DO. HAVE A GREAT-  
LIFE, OKAY? & DONT BE LATE!  
LOVE,  
SUE HENRICKSON

P.S. (I WAS IN YOUR 15TH)

Wes,  
Hi, Hows life. Fine I hope.  
Well Congratulations, you finally  
made it. And Good Luck in your  
future years. I hope all the good  
things in life come your way. I'm really  
glad I got to know you, you a really  
sweet person and a terrific friend.  
Good luck with Sor, and HAVE  
A Great Summer! God Bless You!  
And Keep in Touch.

Love you  
friend Vicki Brown.

You are:

Wes,  
neither you  
nor I will soon  
forget these weeks  
together. Keep in  
mind that there is  
a glass but man has  
free will, else why a  
final judgement? Good  
luck at Jewel and Harper.

# Activities Spark Fall Festival Week

Fall Festival activities were sponsored by the Student Council. Even though the week was only four days long, it was filled with entertainment and fun. Special events were Western Day, Crazy Sock Day, and the traditional Black and Gold Day. Everyone had a chance to become involved. During A-Lunches, students participated in many activities: the Baby Bottle Contest, Pie Eating, and the Mummy Wrap. There were also mini-assemblies for the second half of the lunch hours. On Friday, the coronation was held where Donna Puhl was announced queen. On Saturday afternoon National Honor Society members decorated the gym for the dance which was held that evening.

## Falcons Flatten Grens on E.G. Turf

Fall Festival activities didn't only occur during the school day. Evenings were festive as well. The highlight of the week was the Friday night homecoming football game. Because the flood lights on the Falcon football field were not working, the big football game was held at Elk Grove High School. The true meaning of homecoming was displayed even though we were playing on rival turf. The many students from Forest View who attended the game showed their spirit by cheering the Varsity team on to a 21-7 victory over the Elk Grove Grenadiers. The award winning Marching Band performed at halftime. The new red flags and pompons added color to their performance.

## "Southern Nights" Charm Students

The Fall Festival Dance was enjoyed by many students thanks to the exceptional work done by Mrs. Bogan and members of the National Honor Society. Students were charmed by the atmosphere of "Southern Nights." On that Saturday night the gymnasium was turned into a replica of a southern plantation. Students entered a garden by walking through a rose covered trellis, which was constructed by Arlene Manelli. Students danced to the music of the Terri Dickerson Band and enjoyed a quiet moment making wishes at a wishing well which was constructed by Mr. Barron. As the night came to an end students began leaving with their own thoughts of a "Southern Night."

Phil Georgen and his date enjoy a slow dance.

Sharing thoughts of the dance are Gina Marzullo and Les Moneyhun.

# Senior Superstars Cage Jr. Jaguars

The Powder Puff game that is usually held during Fall Festival week was postponed a week because of electrical problems with the lights. This extra week gave the girls more time to practice. By the night of the game the girls were ready to play. The game started out with the senior girls going ahead, thanks to a fine pass from Lorraine Fisher to Barb Rogers for the touchdown. No one scored again until the third quarter when Nina Dziem ran for the juniors to give them their first touchdown. In the first few minutes of the fourth quarter, Marcy Weaver ran for 60 yards to give the Senior Superstars a 12-6 victory over the Junior Jaguars.

# Prom Strikes Gold At Allgauers

The class of '81 sponsored a prom that will never be forgotten. The theme chosen for the 1980 prom was "Golden Moments." The dance took place at the beautiful Allgauers' Fireside Restaurant. The golden highlight of the dance was the coronation of the queen. The candidates were chosen one week before the prom. Voting for the queen took place at the dance. While students danced to the music of the Current Tymes Band, the votes were tallied. Students waited anxiously to hear the announcement that the 1980 prom queen was Michelle Caldarella, who was escorted by Ron Stevens. Students danced the night away and left with memories of the 1980 prom filled with "Golden Moments."

# Lydon Is Named Prince Charming

Tradition was carried on when the Sophomore class sponsored the 1981 Turnabout Dance. The theme was "Can I Have This Dance?" The festivities began at 8.00 when couples walked through a lighted red heart. Streamers and hearts colored in red, white and pink also decorated the cafe. For this special dance, girls had the chance to ask their special guys. Before entering the dance, the girls voted for the "Prince Charming" of '81. Senior Bill Lydon was selected. The music of "Contagious" provided a variety of songs to which the couples danced. Though the dance ended at eleven, most of the couples went out afterwards to enjoy a Valentines Day dinner

Couples at the dance kick-up their own version of the *Chorus Line*.

# Orchesis Escapes

## Fantasy

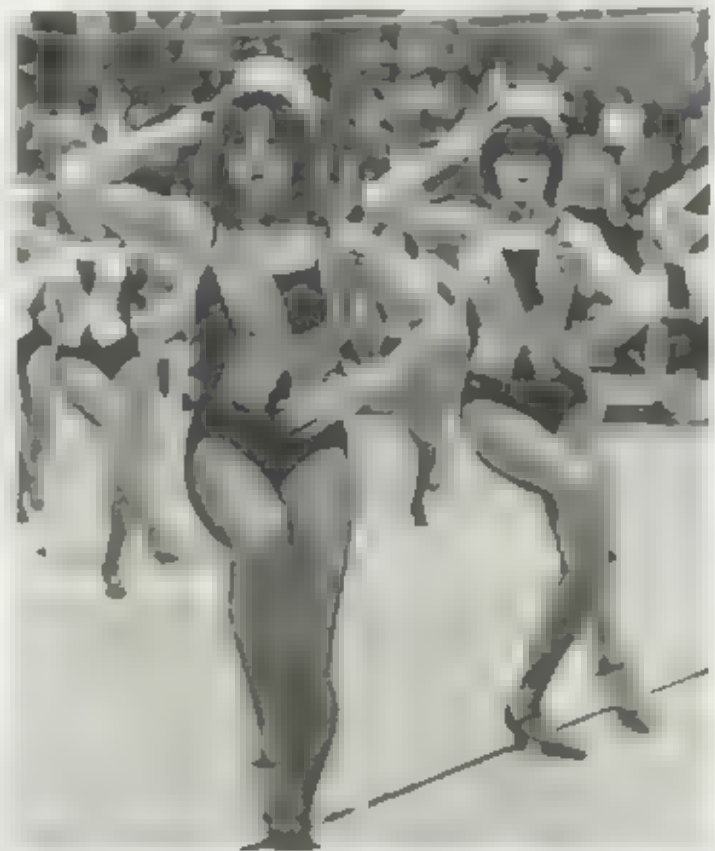

Each day a group of 35 students can be found in the dance room eighth hour. This group is called Orchesis, which is taught by Mrs. Kathy Schulkins. These dancers work hard to put on shows that entertain their audiences. They performed during Fall Fest week, basketball half-time, and their annual spring show. This year's show, "Dancing Up A Storm," used the theme by having dances relating to the weather. The students choreograph dances; using styles such as jazz, modern, tap, and ballet. Their dedication made this show a memorable one

# CAST SUCCEEDS IN MUSICAL

The 1980 musical, *How To Succeed In Business Without Really Trying*, based on the book by Sheperd Mead, proved to be enjoyable to many audiences. Much of the production's success can be attributed to the hard work and dedication of the cast, chorus, stage crew, orchestra, and directors. This modern day comedy takes place at the World Wide Wicket Company. As the play begins, a mail clerk named J. Pierrepont Finch (Scott Stevens) is trying to get ahead in the business world. However, he does not want to have to work for his achievements. Many comical situations arise while he attempts to move ahead in the company. And eventually he succeeds, without really trying.

J. Pierrepont Finch (Scott Stevens) and Twimble (Rick Ward) sing "The Company Way."

Ovington (Chuck Pelletier) and J.B. Biggley (Phil Simon) argue over their rival Alma Maters.

Finch gathers information about the boss.

The businessmen of the World Wide Wicket Company pose for a picture.

Hedy LeRue (Lisa Maegdin) reveals the clue to the location of the hidden treasure.

Finch discusses the way to get ahead with Rosemary (Lorelei Ward).

Pierrepont Finch organizes his scheme of how to succeed in business while reading a book.

The secretaries of the World Wide Wicket Co. plead with Rosemary to marry Finch.

Bratt (Jeff Miller) lights a cigar for a rising executive.

## ON-Q COVERS WEEKENDS

V-Show earned its name "Weekends" with a wide variety of acts ranging from rock groups, magicians, dances, and chorus numbers. Over one hundred students from all the grades were involved. Some students tried out for one of the main groups: chorus, dance troupe, comedy troupe or band. A student director was responsible for each group and for a number of acts. If students had their own ideas for acts, they tried out for individual acts. One V-Show dress rehearsal was especially exciting, Channel 5 (NBC) came to tape segments of the TV show, "On Q." Among the acts filmed were "Blues Brothers," "Football Heroines," and the production number, which featured the whole cast.

"Jake" Todd and "Elwood" Sorich rock the audience Chicago style.

# NEW STARS SHINE IN PLAY

The winter play, *The Diary of Anne Frank*, was directed by Mr. Robert Stelk with the help of Mr. Wayne O'Brien, the technical director. The story was told in flashback depicting the lives of a Jewish family and how they hid out when the Nazi Germans invaded Amsterdam. Their hiding place was an attic above an office building. The play uniquely expressed the life of a teenager growing up, relating and identifying with others and dealing with family situations. Four new people to Forest View theater presented a challenge for Mr. Stelk. The hard work of the entire cast and crew made *The Diary of Anne Frank* a successful production.

Reading the Chanukka prayers is Mr. Frank.

Miep brings the Franks encouraging news.

As Peter VanDaan looks on, Anne Frank shows her concern by cuddling his cat, Mouschi.

Everyone shares in the excitement of the hopeful news that was brought by Miep.

Mr. Kraier brings bad news to the families that their hiding place has been discovered.

Anne Frank mocks Peter VanDaan to get his attention.

## MARK LETS HEAVEN WAIT

The comedy, *Heaven Can Wait*, by Harry Segall, was this year's spring play. Under the direction of Mr. David Good, the play had three successful showings. One of these was a matinee. Joe Pendleton, played by Mark Arshonsky, was brought up to heaven before his time, by Messenger 7013 (Pat Couillard). Before the mistake could be corrected, Joe's body was cremated. Then the problem became finding Joe a new body. Temporarily, Joe was in the body of a millionaire, then he finally settled into the body of a famous boxer. The hard work put into *Heaven Can Wait* by the cast and crew made it an enjoyable comedy.

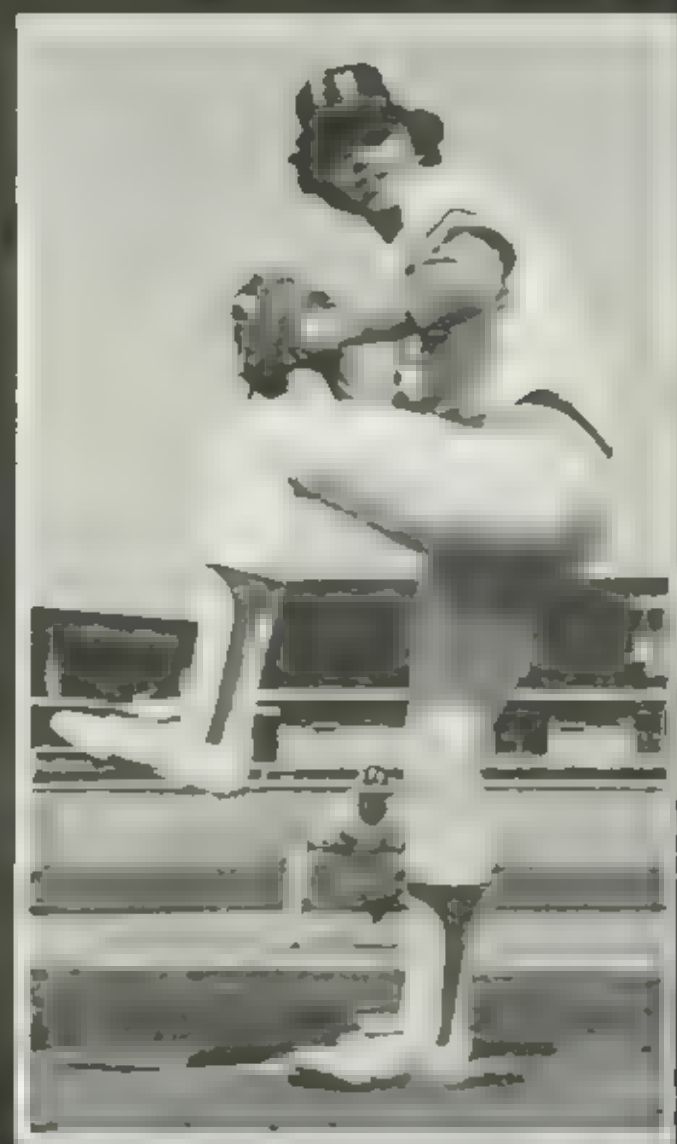

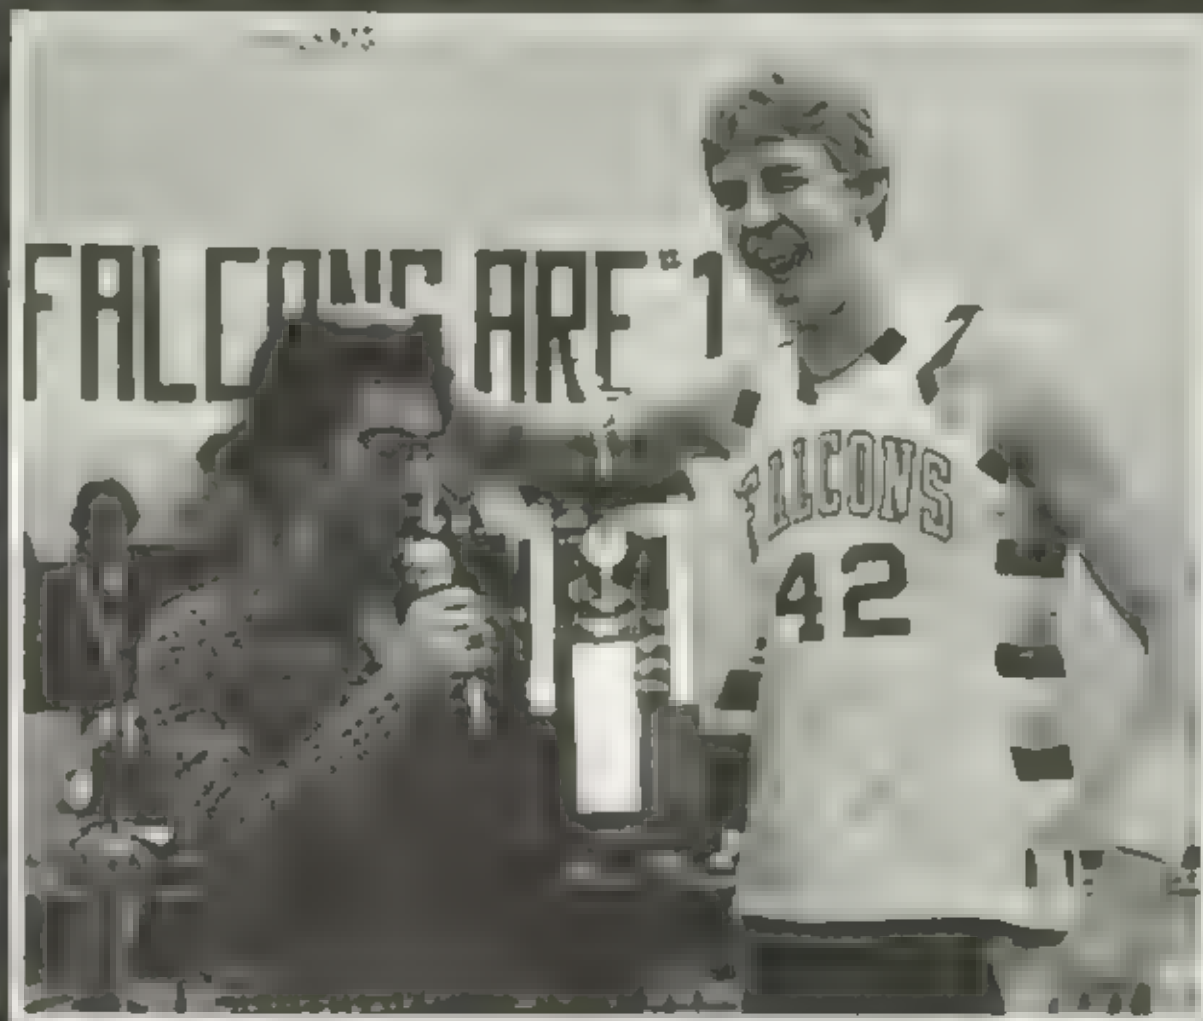

Julia Farnsworth tries to keep her husband from leaving.

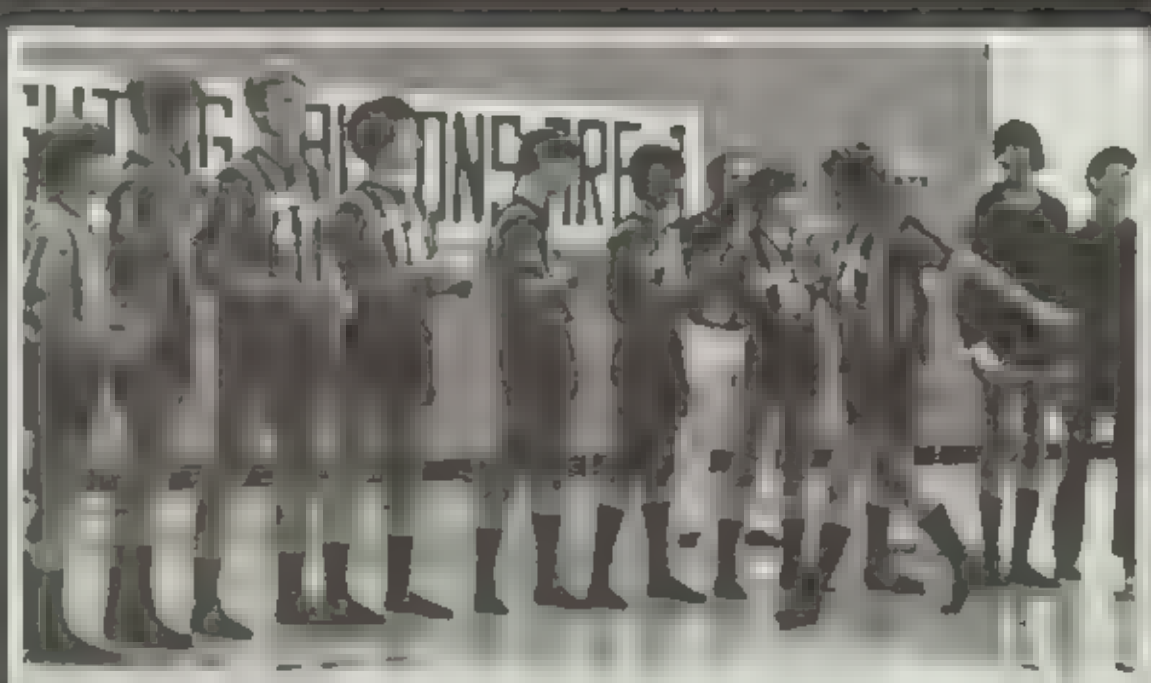

Williams discusses the case with friends and relatives.

Sports play an important part in many students' lives. Our athletes work hard after school to make their teams ones of which we can be proud. With each victory on the field, court, or line, sports help spread the Falcon word. High school athletics requires the fans and the team members to pull together for a common goal, the hope of being #1. Whether they be novices or just beginners, the Falcons have learned to work together to get Forest View apart from the rest. Each sport creates spirit and together Sports ARE Forest View.

# FALCONS FIND HOME ON THE GRENADIER TURF

The 1980 Varsity Football Team ended the season with a conference record of 2-7. This record doesn't reflect all the effort the team put into each game. The Falcons had the highest total of offense yards in the conference — with 300 yds. Varsity effort came through in the Elk Grove game. It was the Homecoming game and Forest View had to play on the E. G. field

since our lights were broken. With odds against them F. V. pulled off a 21-7 win on the Gren Turf. There were many talented players on the team. Senior Mike Matella was voted M V P. The team voted Phil Toepper most valuable offensive player. Bill Nikolich was voted the most valuable defensive player.

# FROSH - SOPH CONCENTRATE ON THEIR FOOTBALL SKILLS

The object of the Freshmen and Sophomore football teams is to work on basic gridiron skills. The coaches tried to concentrate on these skills so that when a player reaches varsity level he is prepared for that rank of play. The coaches tried to play as many people as possible; this is to let everyone receive playing time in each game. As a result, a player can come

off the bench and play as well as if he had just warmed up. The sophomore quarterback Rick Haaland and back-up quarterback Jeff Sauer were among the outstanding players. The others included Joe Kuehl, Jack Rohlfsing, Ken Szady, and Paul Koyanagi. The concentration on basic skills has produced some very fine players

# VARSITY GOLF TAKES FOURTH IN CONFERENCE

This years Varsity Golf team achieved an excellent record of 10-4 in conference. Mr. Scherer, coach of the team, said he was disappointed that they came in fourth in conference. He felt they should have come in second. The most valuable player was senior Craig Anderson. Other good players were Greg Randby and Greg Esposito. One of the teams toughest victories was

over Prospect where the Falcons won by two strokes. For the past three years, Forest View beat Prospect by one or two strokes. The teams home turf is at Mount Prospect Country Club. Mr. Schaap is looking forward to returning there next year because the whole team will be back except for Craig Anderson, and Sal Milazzo.

## ***GIRL GOLFERS BEAT PROSPECT BY TWO STROKES***

Ian Kowalski was voted most valuable player on the girls team this year. Coach Bayles feels that the team played a difficult season against many talented teams. He also feels that the girls don't get any prior experience in golf before coming to high school and that if girls would get involved in golf in junior high, the team would really

benefit. Also, he would like more girls to try the sport of golfing and see if they would enjoy it. The girls were especially proud when they beat Prospect in a conference match. Like the boys teams, the girls play at Mount Prospect Country Club and are looking forward to going back and having a better season next year.

## 

The 1980-81 Varsity Soccer team had a very successful season of 17-2, giving the team a lifetime record of 85-23-5. Among their accomplishments for the year were the Mid-Surburban League Championship and a sectional appearance for the fifth year in a row. Overall ranked fourth in the state, the team missed going down state by one goal in the sectional games. Contributing to the success of the team was Nick Racz. Nick was named All-State, All-

Conference, and voted most valuable player by his teammates. Others named All-Conference included Tony Kaempf and Carlo Ponticelli. Most improved player was goalie Bill Kunstman. Coach Al Beard is looking forward to many more championship seasons. The Sophomore and Freshman teams were also MSL South Champions and were coached by Mr. Wollenberg and Mr. Kahanec respectively.

# JOHN CIESIELSKI IS CHOSEN MOST VALUABLE

The boys gymnastic season was changed from a winter sport to a spring sport this year. The team was very small, with the varsity team consisting of only one senior and three juniors and the frosh-soph team consisting of six freshman and two sophomores. "This year's teams were a little too young and unexperienced for the competition," stated Coach Skip Ray. The season was spent learning new skills and acquiring more exper-

ience. This should be evident next season. John Ciesielski and John Hurd both qualified for Conference. John Hurd, however, was injured and therefore wasn't able to compete. Both John and John were chosen as team captains. The team's most valuable player was senior, John Ciesielski. With most of the team returning next year, the team will have a good chance for a better season record

## NINA WINS EVERY EVENT AT CONFERENCE

The girls gymnastic team faced tough competition, but the talent displayed at their meets showed the results of much practice and dedication. They ended the season with a record of 6-2 and were named the South Division Champions. The J.V. team placed 2nd in the Junior Varsity Invitational. Lisa Ogg placed 2nd in all-around and placed in every other event. The girls scores were consistently higher this year. Even though Nina

Dzeim had some trouble with injuries and illnesses, she was able to come back to win every event at Conference. The team finished 2nd. Sheryl Koch and Jeri Romano's second and third places also contributed to the team's success. Nina was chosen to be team captain and won MVP. Since there are no seniors on the team, most of the team should be back next year for an even better season.

# MIKE MATELLA BREAKS ALL OFFENSIVE SCHOOL RECORDS

The Varsity team had an outstanding year capturing the Conference title in the South Division. Their starting line-up consisted of five seniors. On the offensive side, Mike Matella led the team in scoring, averaging about 26 points a game. Showing a good deal of leadership was Tom Maloney who passed and ran the ball well. At the other end of the court, Jeff Schmidt

led the team in rebounds. Occasionally substituting for Jeff was Sophomore Greg Schreiber who showed potential for the years ahead. Mark Gianopulos and Kevin Murray were strong defensively, making it difficult for an opponent to score. Tom Burke, Pete Serio, and Phil Toepper also exhibited hustle on the court.

# SOPHOMORE BASKETBALL Has A Successful Season

This year's sophomore basketball team really did come off. As a whole they gave their all and showed determination while playing their games. Dave Obst was the leading scorer. He received help from Ken Szady, Scott Vickers, and Mark Sorensen. They won most of their conference games. The exception was Prospect, who seemed

to give them the most trouble. The fast action of Dimitri Kutsak's rebounding was a major asset. Bill Darns and Jeff Sauer came in as the reserve players. The freshmen teams also had good seasons this year. Scott Costa and Russ Kulpins did excellent jobs for their team and are expected to be key players next year.

## JAN REMUS LEADS GIRLS BASKETBALL IN SCORING

The girls basketball team ended up to have a successful season. Starting out the year with several losses against them, they fought back to gain a respectable place in the conference standings. Senior Jan Remus helped tremendously, being the high scorer, and having very flexible skills. Debbie Boe and Eileen Hart were also key

players in helping the team advance. After having many young players this year, Coach Miller looks forward to an experienced team next year. Mr. Beard did a fine job as coach for the J.V. team, who ended with a good season record. Also, the freshmen had a lot of strong players that helped in making their season a successful one.

# BOB KUHN AND DOUG MEYER DOUBLE UP TO A VICTORY

With the help of Coach Tolman, the Varsity Tennis team played enthusiastically and well this year and had a good season. They finished second in the South Division and two players, seniors Bob Kuhn and Doug Meyer placed fourth in Conference doubles. Other seniors on the team were

Ferdinand Ungos, Glenn Nelson, Frank Calderone, and Mike Stathakis. The Varsity team also finished eleventh in Conference and eighth in Districts. Under the guidance of Mr. Paul Douglas, the Frosh-Soph team also worked very hard this season.

The girls tennis team, coached by Miss Travis, enjoyed a successful season, tying for 9th in the Conference meet and for 8th in the total Conference standing. Juniors Sheila Duggan and Renee Shumilo placed fourth in the Conference meet. The Most Valuable Player award went to senior Kim

DeFilipps. Other seniors on the team were Barb Miksch, Chris Schwander, Cecilia Ungos, Liz Glazner, Janice Turner, and Margaret Campise. Karen Calderone also did a good job playing first singles. Mr. Gadlin coached the J. V. These girls also worked very hard this year.

# GIRLS BOWLING MARK AND QUALIFY FOR STATE FINALS

Again this year, the girls bowling team kept up the school tradition of being a winning team. The girls played 3rd in conference, 1st in districts and then continued to go on to the state finals in Peoria. Lisa Neuman and Jackie Sinkler also qualified individually for the state finals. A large portion of the team's success is due to the devotion of the coach, Warren Myers. Mr

Myers has coached the team for 5 years and even coaches three nights a week during the summer. Many people thought of this year as the team's year to rebuild. But, with outstanding bowlers like Karen Sgorn, whose 253 game was the highest in the league, the team successes were notable.

# SQUAD SALUTES KIRSCHBAUM AND BUNCH As M.V.P.s

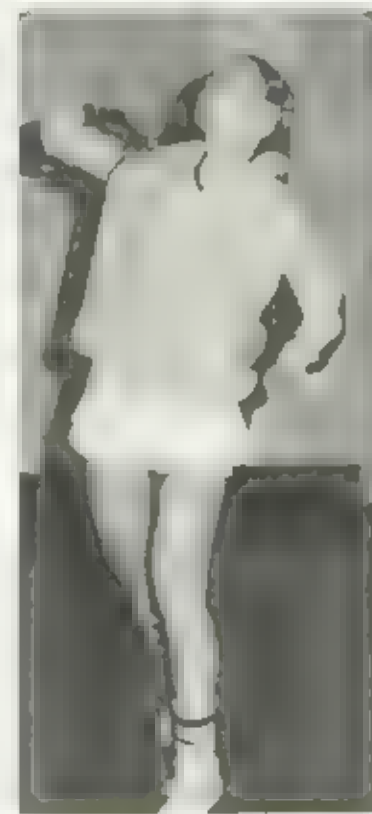

The 1979-80 Varsity badminton team had a very difficult season. This was mainly due to a lack of player experience. The team consisted of either first or second year members. Another factor contributing to the weakness of the team was that it has been in existence for a shorter period of time as compared to other conference teams. This was Coach Sharon Frisby's third year. Mrs. Frisby holds high expectations for the next years team for it will

have gained more playing experience. Voted most valuable players by their teammates were senior Jackie Bunch and junior Debbie Kirschbaum. The J.V. team did well this season. Team members Beth Fredricksen, Laura Knol, and Karen Nagel had an outstanding season record of 10-1. Most improved players included Sharon Stracula, Diana Koepke, and Julie Mayer, all of whom were first year players

## SOFTBALL TEAM CAPTURES MID - SUBURBAN CROWN

The 1980 Varsity Softball team wound up the season with a spectacular win-loss record of 16-1. They achieved high honors as they captured the Mid-Suburban Conference Championship and the Southern Divisional Conference Championship. Three of the team's members were named as All Conference. They were seniors Cindy Lopatowski, Cheryl O'Hara, and Linda Cook. Cheryl O'Hara was also voted most valuable player by her fellow

teammates. Most improved player was junior Chris Wunar who shows a great deal of promise for the 1981 season. In just it's seventh year of existence softball has a very impressive record of 80-28. Softball has such a strong program because most girls also play for their Park Districts. The girls play an average of fifty games each summer in addition to the regular school season

# GRAPPLERS TAKE FIRST AT THE STEVENSON TOURNAMENT

With the extra effort put forth by certain individual members of the Varsity Wrestling Team, this year's season went fairly well. Senior captains Bryan Divis and John Pabon had some very impressive juniors and sophomores under them. Some of these outstanding wrestlers were juniors Ron Anderskow (20-7), who ranked fifth in conference, Dick O'Hara (13-4), who ranked sixth in conference and Joe Pellettieri (18-10). Sophomore Scott

Quandt finished up the season with a (15-7-2) record. The most impressive part of the season was the Stevenson Tournament where the team came in first. Individual members Anderskow, Pellettieri, English, O'Hara, and Quandt also took first place. The team practiced every day after school from November until mid-February in preparation for their meets. The upcoming varsity team seems to be very promising.

The girls track team broke seven school records. The records were broken by Laurie Maybach, Pam McCarty, Andra Gremer, Sherri Brinkman, in the 880 relay, the 880 medley relay, and the mile relay. Andra Gremer placed 2nd in the 220 hurdles at the Elk Grove and Falcon Invites and 4th in the District. The mile relay, consisting of Heidi Lehmann, Eillen Hart, Michele Eisfeld and Laurie Maybach, placed first in the Elk Grove

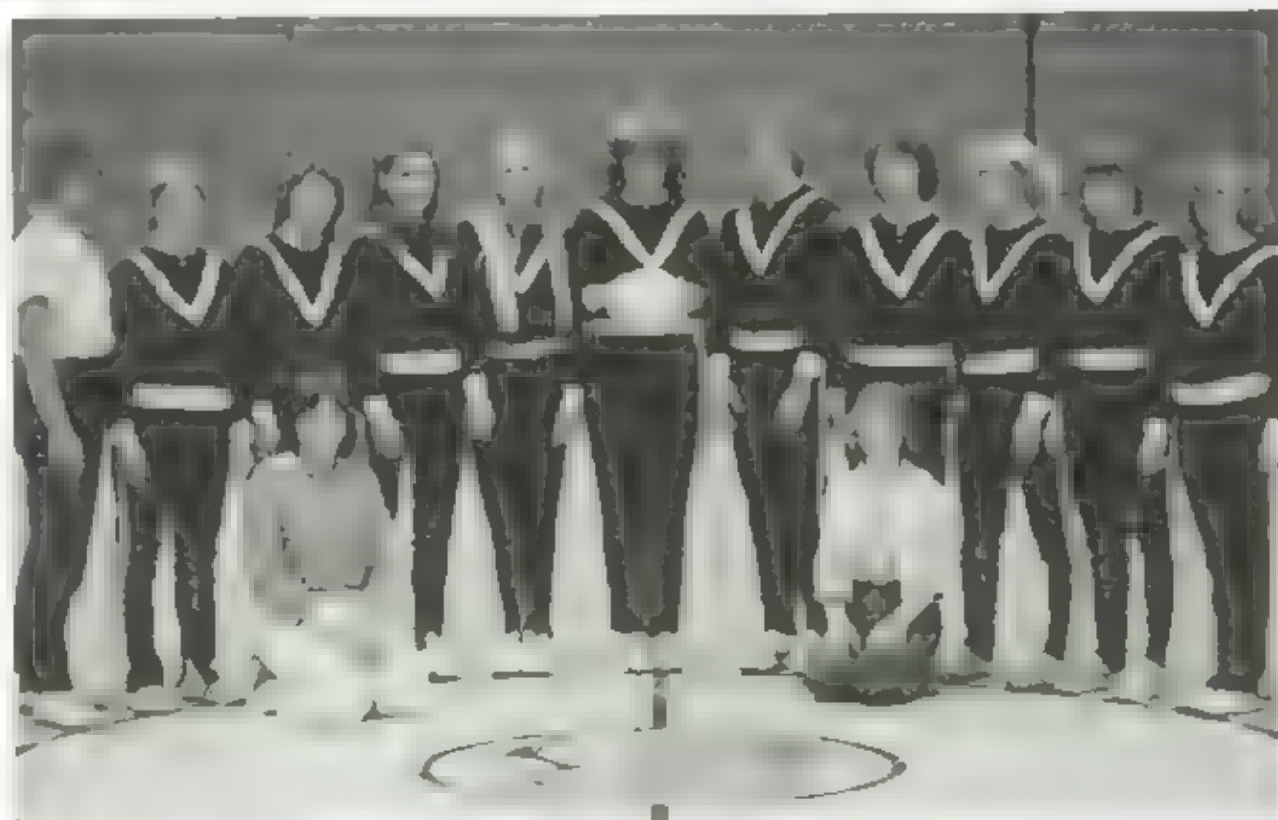

Invite, 2nd in the Falcon Invite, 4th in Conference and 2nd in the District. They also qualified for state with a time of 4:11.6. Sherri Brinkman scored the most points with her outstanding performances in the shotput and the discus. Sherri took first in the discus at Conference and at the District meet where she also qualified for state. At state she threw her seasons best of 121'9" to put her in second place.

# GIRLS VOLLEY DOWN STATE FOR THE FIRST TIME

This year the Varsity Volleyball team had an excellent season. The girls worked hard together as a team and they ended the season with an outstanding record of 30-7. The team placed third in the New Trier East Tournament, first in the Harlem Tournament, and qualified as one of the final eight in the Maine West Tournament. The Volleyers qualified to

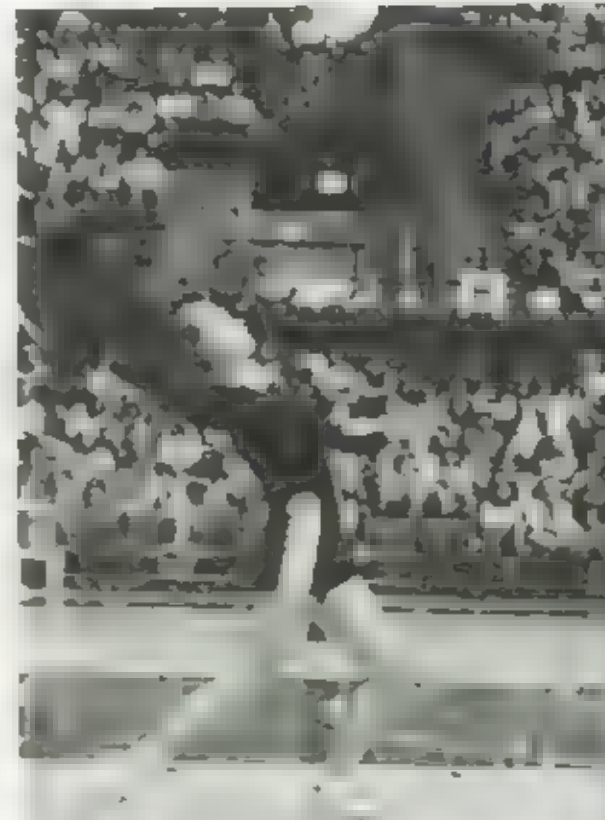

go down state for the first time in the school's history after upsetting Barrington 14-16, 16-14, and 15-4. The girls lost a close game in the 1<sup>st</sup> round of the state finals. Andra Gremer and Sherri Brinkman were named All-Conference players. Junior Sherri Brinkman was also named All-Area and Most Valuable Player

# FALCONS HOLD TOP BATTING AVERAGE IN SOUTH DIVISION

The 79-80 Varsity baseball team had a slow start, but they were able to pull together for a record of 11-9. The team had to deal with some inconveniences. The field wasn't ready and there were rain-outs. But that didn't stop them. They went on a 9 game winning streak, which brought them to the finals of the championship.

Although the Falcons didn't win the conference, the team had the highest batting average in the league, .296. This fine showing was attributed to a well experienced team. Top team members were Gus Vivirito, Tom Maloney, and John Kowalski. Gus was voted M.V.P., All-Conference, and All-Area. John and Tom were All-Conference.

# GRANT DAHLKE

## SWIMS DOWN STATE

This year the varsity swimming team had a tough season. The Hydrohaulers suffered many loses because of a lack of divers. The outbreak of Bankock Flu affected more than half the team which caused them to lose many important meets. Despite many of their setbacks, the team placed fourth in the Hoffman Estates Invitational and also took fourth in the St. Patrick

Shamrock relays. Exceptional varsity swimmers were Grant Dahlke, Todd Lothery, Curt Beutler, and Jorg Maitz. Senior Grant Dahlke did a sensational job which enabled him to swim in state competition. The junior varsity team ended the season with a 3-3 record. Coached by Mr. Stevens, the boys practiced at Olympic Pool.

The team was lead by seniors Trina Lira, Cathy Lucansky, and Denise Szady, junior Linda Wright, and sophomore Karen Lucansky. Most Valuable Player, Trina Lira, broke five individual records. The

girls biggest win was against Prospect. It was the first time the swimmers beat Prospect in four years. Mr. John Hillary did a fine job coaching with the help of assistant coach Mrs. Kathy Shulkins. The diving team was lead by Mary Marzullo. The girls competed during the fall sports season.

# CHEERLEADERS' SPIRIT AND PEP DRIVE TEAMS TO VICTORIES

Many people aren't aware of all the work that goes into being a cheerleader. It begins at a summer camp at ISU. The girls attend camp for four days to learn cheers and to practice with their new squads. They came home with more experience and many new ideas. This year, especially, the camp was beneficial because the 1980-81 squads consisted of many

inexperienced girls. In the fall, along with cheering for football games, the girls were in charge of decorating the gym for the coronation assembly and selling Fall Fest mums. Other fund raising events included bake sales and selling candy bars. Buttons and ribbons were also sold to the students for showing school spirit

Clubs gave students a sense of belonging. There was a club for almost every interest, from Chess Club to Equestrian Club and from Medical Careers Club to Choir. The new Computer Club was organized this year to give students an opportunity to work with the Apple II Computers. Clubs gave some students a chance to lead, other members chose to follow, but all had worthwhile experiences. Students had many opportunities to participate in activities that they enjoy. Clubs help bring faculty and students closer together and so, Clubs ARE Part of View.

Every day seventh hour in A222 the yearbook staff, which consisted of 2 co-editors, 5 sectional editors, 11 staff members, and 1 advisor worked diligently to complete the yearbook. Our small office became our home when deadlines were just days away. A typical yearbook student could be seen racing down the halls with white-out

## Viewer Turns 1980-81 Pages With Mr. Gadlin

Originality, being an effective media source as well as being the voice of the students were the main goals of the 1980-81 *Viewer*. The *Viewer* staff consisted of junior and senior students in Journalism 1-4. The Editor-in-Chief was senior Karen Kalantzis. Staff members had a hard time meeting deadlines but considered each deadline a unique challenge. Each issue

covered in-school as well as out-of-school activities. The students were able to voice their opinions through various surveys. The *Viewer* was printed on newsprint paper stock. Special articles on child abuse were featured during the year. The whole *Viewer* staff adjusted well to their new advisor Mr. Gadlin.

# Council Sponsors Spring Spirit Week

Mike Hassan addresses the guests at the Activities Banquet during Fall Fest Week.

Student Council is an organization which allows responsible students a chance to help their school. Some of the new activities sponsored by the Student Council this year were the Santa pictures during the pre-Christmas week and the Spring Spirit Week held in April. The student body always seems to enjoy Fall Fest Week. Many of this week's events were

sponsored by the students. Popular events were the Baby Bottle Contest and Hustlers Day. Hosting the National Association of Student Council's Midwest Regional in May was a great honor for the Student Council. Under the direction of Mr. Showers and President John Cerza, the Student Council helped to foster student body spirit.

# Forest View Welcomes Four Exchange Students

This year Forest View had the pleasure of welcoming four very interesting students. These students were special because they came from four different countries; they were foreign exchange students. Amanda Blinkhorn, the first to arrive, came to us from England. Leo Frigerio is from Chile. Betina Artajaveyta is a native of Uruguay. Raul de

Sabosa calls Brazil his home. These students lived with other students and their families, sharing their native traditions and customs, while learning about our life styles and tastes. It is hoped that an officially chartered American Field Service chapter will be established at Forest View next year

# Al LoCascio Drums His Way to First Place

The Jazz Band continued with another year of successful performances and competitions. At the Northshore Jazz Festival they placed second out of fifteen competing schools, and soloist Al LoCascio took first on the drums. The band also competed and performed at various other places throughout the community, including

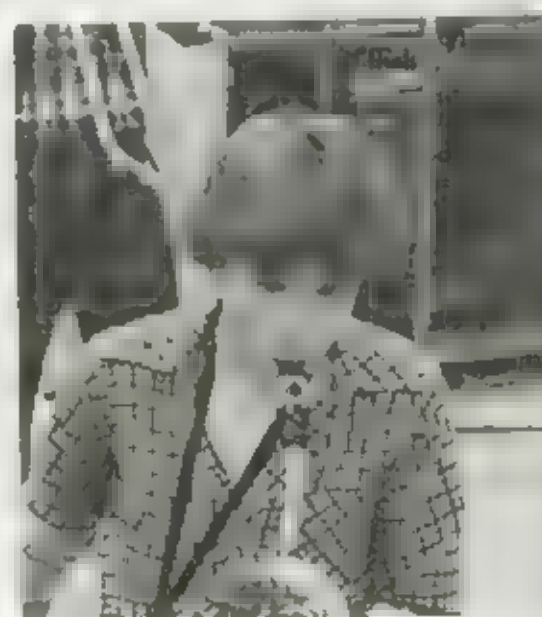

Woodfield. The Jazz Band consists of eighteen select members who have auditioned for this prestigious music group. They meet eighth hour and are directed by Mr. Bob Untiedt. This year's big attraction was Jamie Aebersold who visited our school and played tenor saxophone along with the Jazz Combo in a concert

## Symphonic Band Hosts Solo Ensemble

Throughout the year, the Symphonic Band played numerous contemporary selections. Although they didn't participate in many concerts or contests, they had the honor of hosting the Solo Ensemble Contest, in which nineteen schools took place in. The Band was also honored when guest conductor, Dr. Stanley DeRusha, from Michigan

State University came. Symphonic Band consisted mainly of upperclassmen, although there were some underclassmen involved. The Band was open by audition only and it represented the best instrumentalists at Forest View. These musicians worked hard all year, to make the Symphonic Band season a success.

# Band Marches On To Continued Success

Adding to the success of the Marching Band this year were the colorful, new uniforms and flags of the Colorguard. It added new brilliance and energy to their performances. Another reason for the impressive season was the early start the band got in the summer. The entire group including the Falcettes attended a band camp at Lake Geneva

Wisconsin. During the week long stay, the members learned new music and routines. However, they managed to find some spare time for shaving cream fights and cabin raids. While keeping busy entertaining at football games and pep assemblies, they also enjoyed competing in various contests. They never finished lower than second

# Choir Hosts State Solo and Ensemble Contest

The Choral department had a busy 1980-81 season, beginning in October with a concert for the American Choral Directors Association held at Northern Illinois University. The Fall Festival Coronation and graduation ceremonies were made more memorable by the beautiful sounds of the Concert Choir. The holiday season was highlighted by

the Christmas Concert. In March, Forest View was privileged to host, for the first time, the State Solo and Ensemble Contest. New songs sung this year were "Praise Ye the Lord," "Yearnings," and "Hosanna to the Son of David." The choir, also, went on their annual choir tour in the spring, combining concerts with fun.

# Choirs Spread Holiday Cheer

This year Towne Criers, New Directions, and Mens Glee worked hard preparing for many concerts. Their busiest time was during the Christmas season. New Directions, directed by Mr. Blazeovich, sang at nursing homes and businesses. Under the direction of Mr. Swanson, the talented students in Towne Criers spent the last two weeks of Christmas vacation

performing for different junior high schools. They also performed at the Conrad Hilton for the Chicago Union League Club. During the cheerful season, the choirs held more than forty concerts, spreading Christmas greetings to all. Each group worked hard to make their performances unique and sensational.

## Konecki, Manelli, and Conception Take Firsts

The individual events team consisted of 28 members performing in 11 different categories. The team received a number of trophies by placing in interscholastic tournaments. Members John Conception and Arlene Manelli received a 1st place in Districts for their dramatic duet. Pete Konecki received a 1st for his original comedy. A select group of 8 students

were involved in Group Interpretation. They received a 1st at the Shepard H.S. Tournament, performing a difficult literary piece, *Marat/Sade*.

Drama Club consisted of the casts members from school plays. These students worked toward successful performances.

## Audio-Visual Invests In New VTRs

This year, as in the past, the Audio-Visual Club was successful in keeping the school's numerous movie projectors, film projectors, and tape recorders in excellent condition. New additions to the A.V. Department included video-tape recorder (VTR) machines. These machines provided a new and interesting way to view

movies. The new two, four, and six hour machines cost the A.V. Department less than \$1,000.00 each. The Art Club met weekly and gave students a chance to work on their own individual art projects at their own rate. Talented Seniors in the club included Kris Chalmers, Liz Glazner, and Jeff London.

# Chess Club Changes Moves For State Tournament

The Chess Club started early in preparing for the Illinois State Chess Tournament. By attending various meets the chess club members gained additional experience playing in competition. Thus, they were better prepared for the state meet. The players the chess club sent as their "State Team" were the best and most qualified. These players were Scott

Bowman, Rich Budek, Robert Ruehl, Dan Koutris, Dan Quigley, Brad Sherman, Scott Sobeski, and Dave Waller. These students attended the state meet in April and did well. Meanwhile Mr. Blazeovich and the History Simulation Club recreated battles of various actual wars of the 19th and 20th centuries

# Out-of-Door Clubs Interest Students

The Ski Club, sponsored by Mr. Rymarz, had a long season, thanks to the late snowfall in February. They took weekly trips to Wilmot Mountain in Wisconsin. The Climbing Club could only take three trips because of the weather. They took two trips to Devil's Lake and one trip to the Smokey Mountains during the Spring Break. This trip consisted mostly of backpack-

ing. The trips the Climbing Club took were worthwhile experiences for everyone who attended. The Fishing Club, sponsored by Mr. Theesefeld, went fishing this year every chance that the members had. These clubs are designed for those students who love the out-of-doors and are active when their type of weather is in season

## Clubs Prepare Students for Future Careers

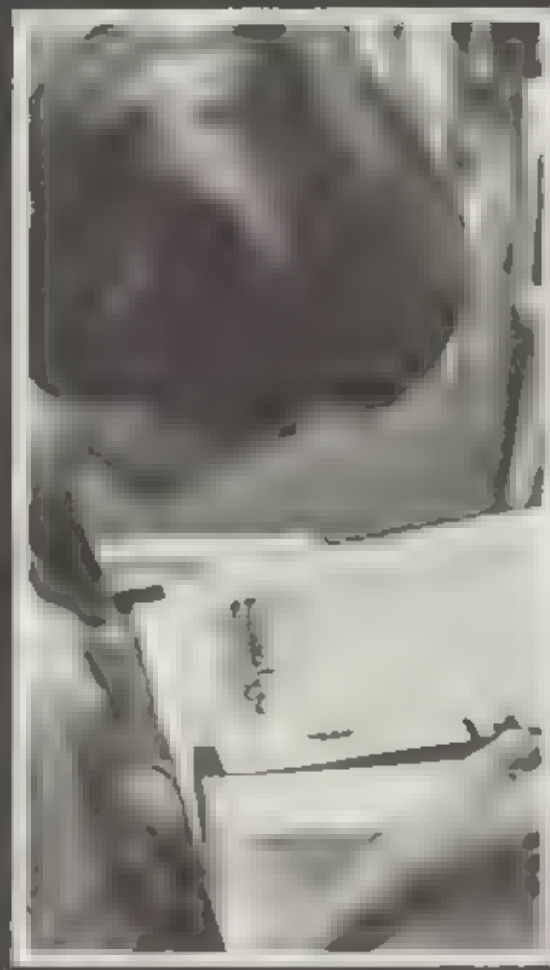

This year's office aides have been a great help to the school secretaries. Their daily routines consisted of writing admits, delivering passes to classrooms, and answering phone calls. They were also responsible for completing some paper work and the filing of student schedules. These jobs enable the student to understand office procedures. The medical careers

club consisted of students exploring different health related careers. The students were interested in finding out more about a medical profession. The international club was designed so that students could learn about foreign countries. All of these clubs helped the students to gain insight into possible careers.

Freshman year must be the longest year in a person's life. At first it seemed that we would never find our classes, let alone get in them on time. The upperclassmen offered their help in many ways: having elevator passes, pointing us in the wrong direction, and leading us about knowing the Palace in the courtyard. For many of us it was a year of exploration, as we developed new interests, joined clubs, and tried out for teams. As we became comfortable with Forest View we realized that we, the Freshmen, ARE Forest View.

While we may have been eager to return to school in August at least as sophomores we knew our way around. Now it was our turn to direct the freshmen. Along with the advantages of being sophomores there were a few ordeals. The speech giving in Oral Communications and being driven everywhere by parents or walking. We all looked forward eagerly to having our licenses. As we absorbed new experiences including first jobs and first loves, we discovered that we the Sophomores ARE Forest View.

Junior year was filled with excitement as we established ourselves as lower upperclassmen. We found our way around with ease and the seniors were our friends. We could vote for dance courts, actually knowing who the seniors were. Friendly relations with the senior women were strained as we battled on the football field. As the year progressed, we had acquired our driver licenses and had secured our places in the student lot. The year ended with thoughts of how to the Juniors. A.R. Forest View.

For four years we have been the stars of '81. We entered Forest View scared and shy, anxious to begin a new adventure called high school. We learned much throughout the years. Memories of times we have spent with friends at parties, at dances, and at school activities will remain with us forever. As seniors we were looked to as the top class, the ones with the most spirit. That spirit will remain in always of how we WERE Forest View.

During Humanities Steve, Dean, and Mike are entertained by a creative oral project.

"I wonder what I'll be doing after I graduate?"

The school year flew by again this year. It seems like only yesterday that we walked into the building before the school year officially started. A series of films shown to us as "Assertive Discipline" were used as the perimeter for our guidelines for discipline in our classrooms. Before we knew it students were walking into our rooms. We enjoyed teaching our classes, but it was a nice change when we had our potluck lunches, tea parties, and coffee sessions with Dr. Martin. Each department leads the students in a different direction and together we the faculty, ARE Forest View.

## State Requires 300 Minute Day

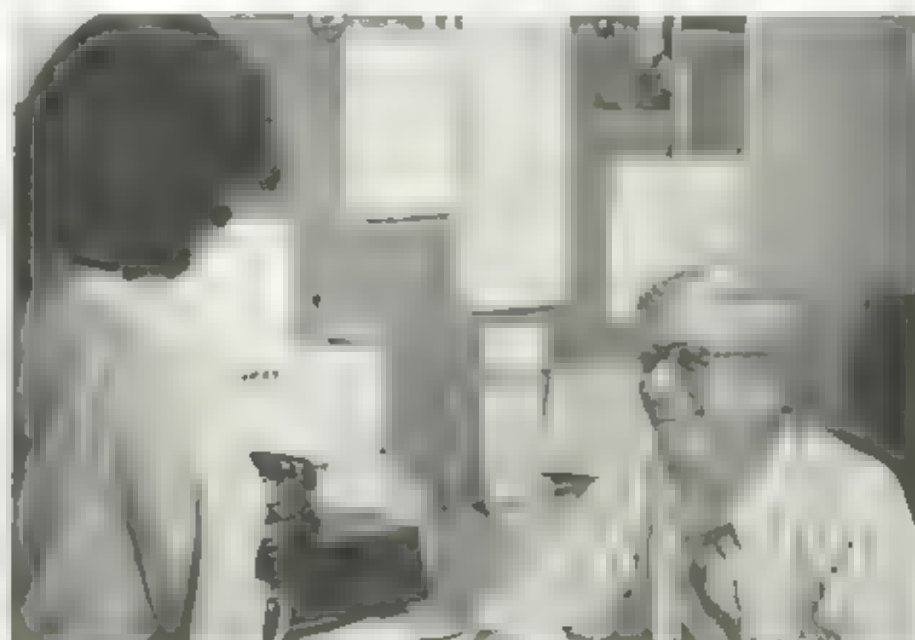

A new state policy was instituted this year. Each student had to have 300 minutes of classes per day. Otherwise, students were given a closed study. This encouraged students to take greater advantage of courses offered. Students who did not attend their closed study period faced the prospect of dealing with Mr. Steigerwald, Dean of Students. The administrators worked hard all year to help our school run efficiently and to make Forest View a nice place to go to school.

## Students Prepare For Future

Students involved in the Young Adult Program attended school four nights a week. Besides courses covering the basic requirements for graduation, students could take electives like Psychology and Auto Body. Like day students, students in this program needed sixteen credits to graduate. By attending night school, students could earn their high school diplomas and prepare for their futures.

Business classes were another way to prepare for the future. Typing was a good class to take because of the importance of this skill in the age of computers.

## Counseling Improves Guidance Programs

The counseling department worked extremely hard to start new, and improve old, guidance programs. Mr. Borkowski and Ms. Zuzula worked with the freshmen to help them adjust to high school. Mr. Lerch and Ms. Keogh worked on improving the sophomore career program. The counselors introduced this ten day program in Oral Communications to help students get to know about the career room. Mr. Widlowski, Mrs. Moist, Mr. Green and Mrs. Frisby worked along with Mr. Kaleta to help juniors prepare for the ACT and SAT and to help seniors choose careers and colleges. They also held workshops to answer any questions about college.

## Mr. Kaleta Helps In Career Choices

The Career Center welcomed a new college/career counselor, Mr. Kenneth Kaleta. With the aid of Mrs. Williams and the GIS Computer, he helped students identify career interests. The Career Center established a ten day career unit for Oral Communication classes. Mr. Wollenburg, Director of the Community Resource Program, placed students with specific career interests in the working community. Some of the job placements included lawyers' offices, beauty salons, veterinarian offices, and fire stations.

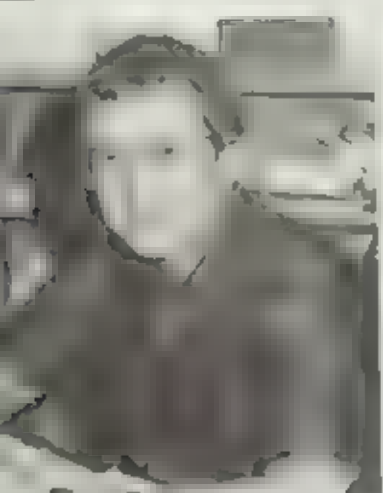

Junior, Laura Frahm, asks Mrs. Malget a question about a schedule change for second semester.

**Mr. Maurice Champagne:** Literature and Composition, Introduction to Composition, English Literature, Expository Writing

**Mrs. Shirley Fogerty:** English Department Secretary

## Department Targets Writing Skills

One goal that the teachers in the English Department set was to give students better writing skills. English Review and Expository Writing are two advanced writing courses which were designed to teach students how to write essays and term papers. On a more creative level was Creative Writing, which gave students the opportunity to write poems and short stories and submit them to magazines for publication. Advanced Placement English was a difficult class taken by college bound students. At the end of the year, these students took the Advanced Placement test and, depending on their scores, earned hours of college credit.

## Musical Selections Challenge Choirs

The 1980-81 school year brought some new additions to the choir music department. Some of the new arrivals this year were new music chairs, made especially for music departments like ours, and a beautiful new six-foot seven-inch Kawai Grand piano. Early in the year brought some new and difficult songs, some which were "Praise Ye the Lord," "Rejoice Exultantly," and "I Will Praise the Name of God with a Song." Towne Criers and the Choral Music class sang at the Illinois Convention of American Choral Directors. The 1980-81 Marching Band show consisted of five songs. The band placed second at Northern Illinois

## Art Room Completes Renovation Project

Although not all the supplies were in the Art Department renovations were finally completed. Students worked on many projects that they were unable to do while the rooms were being remodeled. Art 1 and 2 classes were fairly structured with an emphasis on drawing. Art 3 and 4 students, however, were able to take advantage of the lithography equipment, silkscreening, clay, and acrylic painting. Some Seniors spent their time working on their portfolios, which is a collection of their works representing the variety and quality of their capabilities. Senior artists submitted their completed portfolios to various art schools.

## War Games Show Historical Outlook

1980-81 was the sixth year 20th Century Wars was offered at Forest View. 20th Century Wars, a one semester course, is offered to all juniors and seniors. The main objective of the course was to teach the students why conflicts have occurred in the world during this century and how they might have been avoided. The course also looked at the developments in warfare that have changed the history and the meaning of war. During the course of the semester, the students also set up a variety of simulation wars to demonstrate the ideas they studied in class. The class was originated and taught by Mr. Macarol

## Practical Arts Offers Parenting Course

The Practical Arts Division introduced a new class called Parenting, which was popular with the students. Other classes were offered which helped prepare students for later life: Family Living, Child Development, Sewing, Cooking, and Auto Body. The most popular of these classes was Child Development. In the first semester Child Development students were taught child psychology. The second provided students with the chance to work with kids.

Todd Kosloske works on a motorcycle engine.

## Tutoring Gives Students Success

The Individual Resource Department was a place for students to go who were having a difficult time in Math, English, Science, or Social Studies. It was also a place for these students to go and get moral support and advice. The teachers and aides acted as friends to the students. A couple of ways that the students learned were on a one-to-one basis with the teachers and through games played on the computer made available to them in the Computer Room. I.R. students also took field trips to different businesses. The I.R. staff tried to help their students academically as well as personally.

## Apples Add Flavor To Math Classes

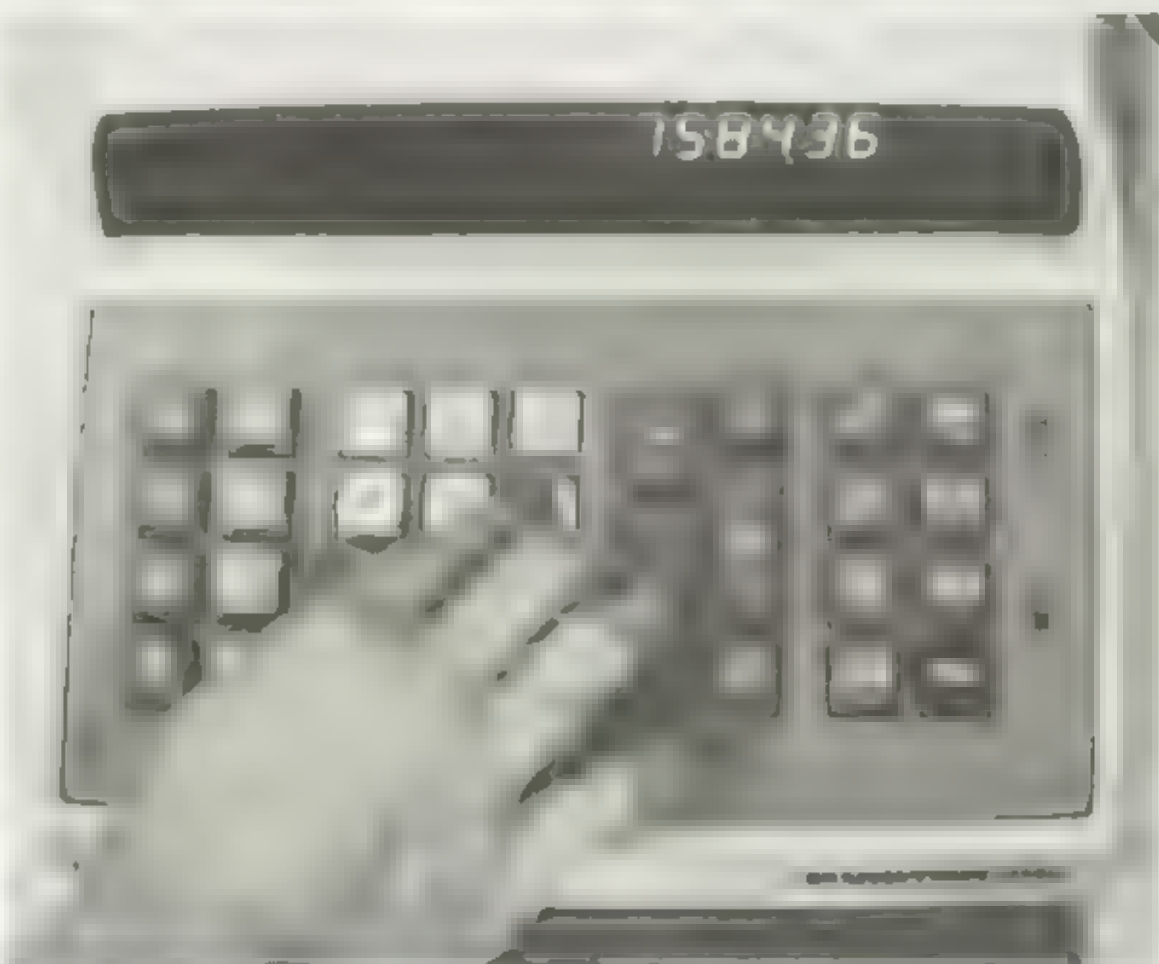

A new addition was built in the Math Department called the Computer Room. To fill this room, eleven Apple micro-computers, and three time share Hewlett Packard terminals were purchased. The computers could not only be programmed for information printouts, they could also be programmed to sing, talk and play sixteen different instruments. There were also attachments that could be used to draw pictures in black and white, or color. Students could learn how to write programs for business and math applications by enrolling in courses such as Computer Math 1, Computer Math 2, and a new more involved course called Advanced Computer Math Topics.

Working on their programs in Computer Math class are Cindy Paniello and Greg Franzen.

## A.P. Biology Gives Students Challenge

The science department added three new members to its teaching staff this year. They included Mrs. 'Laine Gurley-Fellars, Mr. Timothy Falconer, and Mr. Wayne O'Brien. Also added to the science curriculum was the Advanced Placement Biology class. This new course, taught by Mr. Horler, was equal to the first year of science in college. The thirty-two seniors enrolled in the class met every day for two periods. The class however, was only worth one credit. A.P. Biology prepared the students for the Advanced Placement which was given at the end of the school year. It is hoped that next year even more students will enroll in this challenging course

## Field House Adds To P.E. Department

The Physical Education Department offered at least twenty-five different activities. Volleyball and bowling were two of the more popular student electives. Tennis and racquetball were offered only first hour. Racquetball was played at the Forest View Racquetball Club, a facility run by the Arlington Heights Park District. The P.E. Department introduced a new policy: Freshmen took only one quarter of First Aid and Health. With the completion of the field house several new courses were introduced by the P.E. department. The field house offered much needed room and storage space

## Custodians Win Landscape Award

The personnel staff contributed in various ways to make this year better than previous years. Two custodians, Juan Juarez and James Kingsley were awarded a certificate and plaque for maintaining a high quality of landscaping. The cafeteria ladies added to school spirit by decorating and making special dishes. The attendance office, with the help of a student staff, created a comfortable atmosphere while fulfilling the same efficient policies.

# CONSTRUCTION IS COMPLETED

A bricklayer mixes foundation mortar.

The long awaited fieldhouse was completed just in time for the MSL Championship game. This addition became a necessity because of the need for more room for gym classes and the difficulties in scheduling sports, musical, and theatrical events. The co-ed training room is equipped with a whirlpool and rehabilitation equipment. The \$3.5 million field-

house seats 2800 people. Everything is operated electronically, making it the most modern facility in the district. It features a metric track, 4 practice basketball courts and 2 lined practice volleyball courts. With the fieldhouse, Forest View is capable of hosting games and meets at conference and state levels.

# FIELDHOUSE IS DEDICATED

The opening of the fieldhouse became official on Sunday March 1, 1981 at 3:00 P.M. Dr. Jack Martin, Principal, thanked the parents, students, faculty and all others who helped in the planning and building of the fieldhouse. Dr. Edward H. Gilbert, Superintendent of High School District 214, traced the history of building renovations in the district since 1973. Mr

Domanica, President of District 214 Board of Education and John Cerza, Student Body President, gave their special thanks. The ceremony came to a festive ending with the fine sounds of the Symphonic Band. Lastly, the Concert Choir sang the Forest View *Alma Mater*. Refreshments were served in the cafeteria

# APPLES ARE CORE OF LEARNING

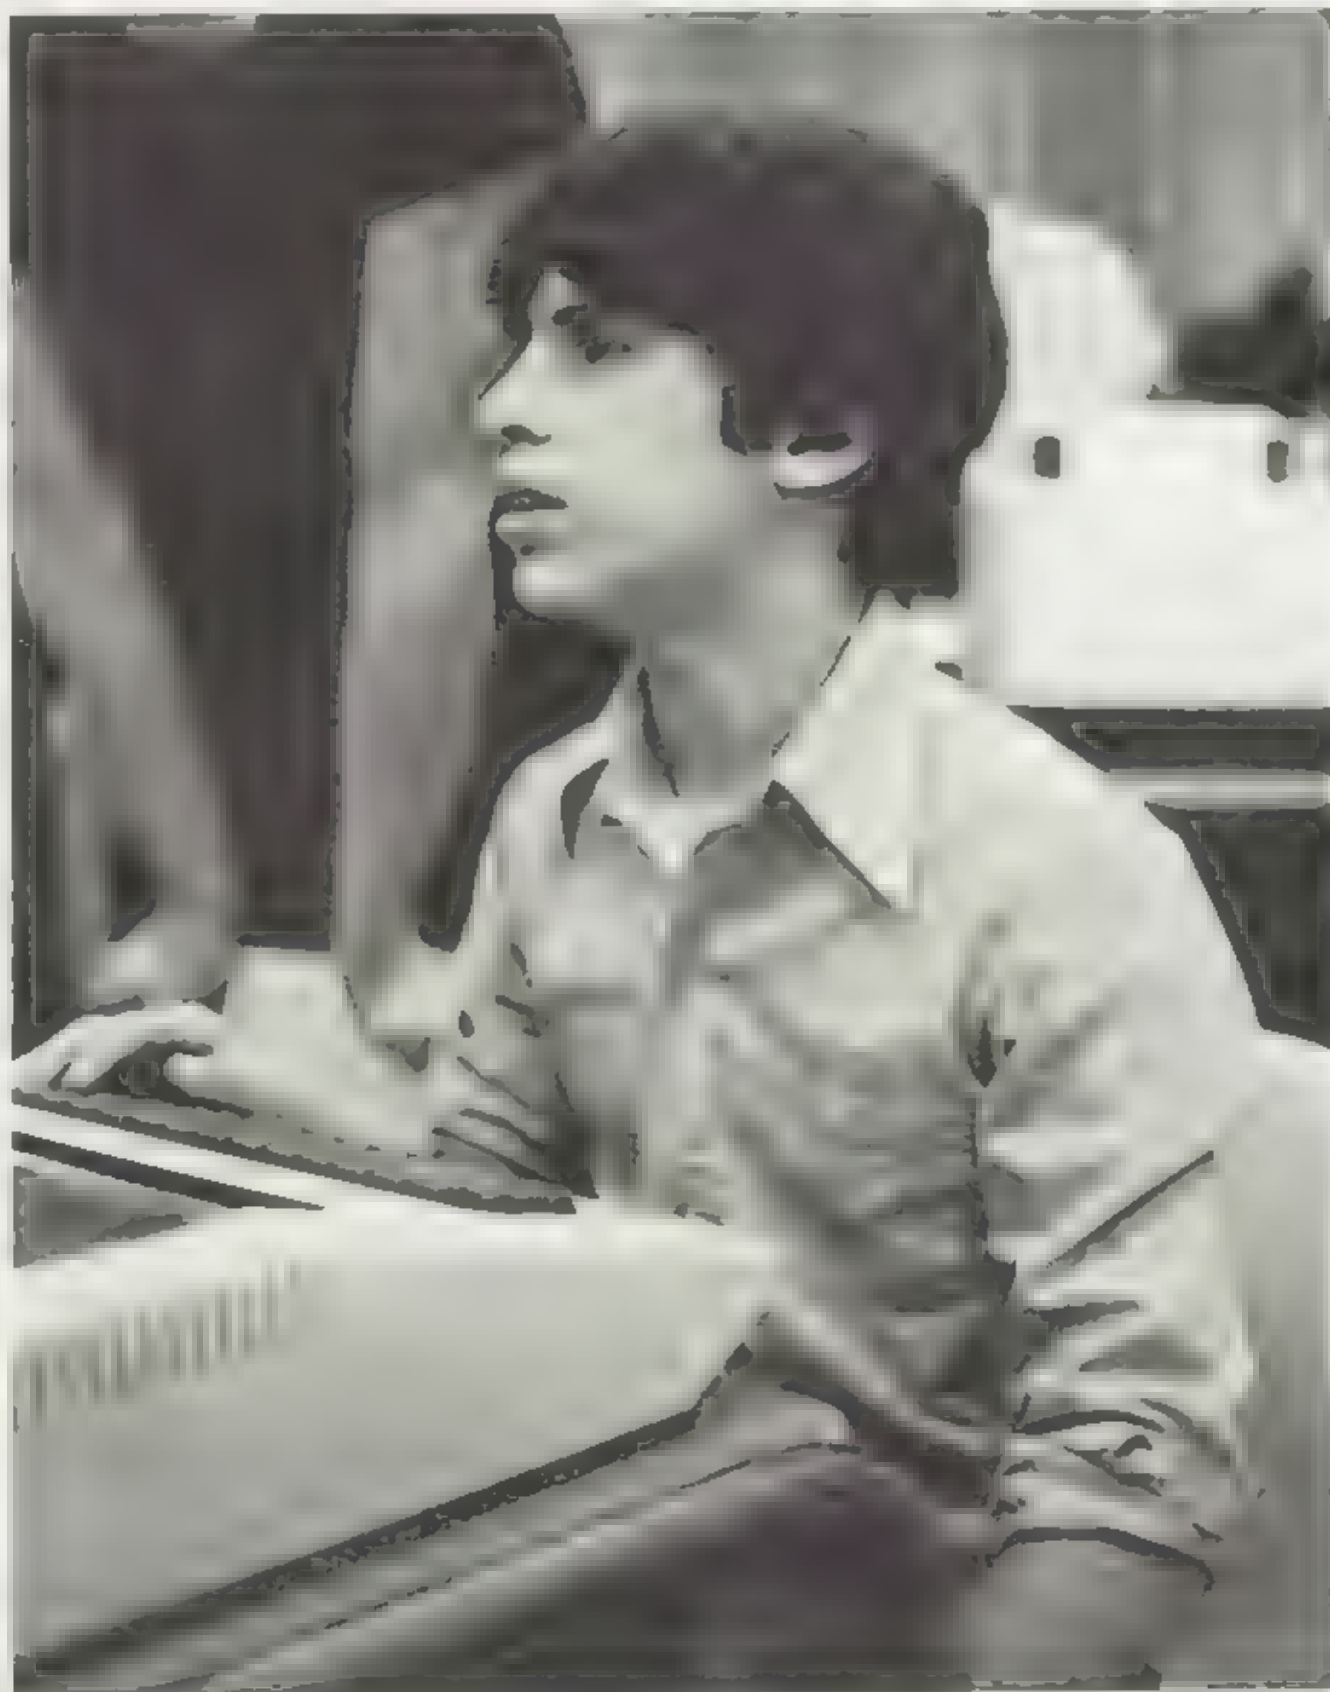

The Board of Education approved to improve their grammar skills and to \$200,000 for the expansion of computer write stories. A computer club was hardware and software for all the schools formed by students who wanted to use in District 214. At Forest View this led the computers and who were limited by to the enlargement of the computer the amount of in-school time they could room and its facilities. Students were spend on them. To help with this taught in BASIC, FORTRAN, and PASCAL problem students were able to check out languages. In addition to writing their Apple computers over the weekend own programs, the students used the computer system to take spelling tests,

# STUDENTS WORK TO EARN MONEY

When the cafeteria serves pizza for the third time in one week, or when the tater tots leave greasy puddles in the bottom of the carton, many students decide it's time to go out for lunch. For those who are unable to drive, Frankly Yours is a favorite place because it's close enough to walk to. However, for the upperclassmen with cars, some

popular choices include: McDonalds, Burger King, Subway, and Frankies Two. After a hard day at school, many students fill their free time with a part-time job. This gives students the opportunity to earn spending money while learning responsibility and testing leadership qualities. Jobs range from serving food to fixing tires

# HYPNOTIST MEMBERIZES ALL

In February professional hypnotist Larry Garret made a very special appearance at Forest View. He hypnotized 16 courageous seniors on stage. Several underclassmen in the audience followed his directions and were also hypnotized. Mr. Garret had the students doing all sorts of weird things: trying to pull their hands apart because

they were stuck together, hiding under chairs because it was raining, and forgetting their names. He even had them scrambling on the floor for invisible money. The fun ended all too soon but afterwards the 16 seniors remembered everything they did and walked off the stage feeling a little bit embarrassed

## SENIORE GO OUT WITH CLASS

Graduation is a time for sadness and hope. Thoughts of the future ahead and of the achievements behind bring joy to every senior graduate. The ceremony is not only a way to receive a diploma, but also serves as a final goodbye. We will always remember the past. Yet, we keep looking to the

future with visions of our advancements in school or work. It is time for us to leave our teen years behind and begin a new way of life as adults. We've been together for four years and graduation night is our last gathering as a class. The night will end with hugs and kisses and memories that will never tarnish

# SYMBOLS SPARK MEMORIES OF F.V.

Many students chose to drive to school

For some of us, the days we spend at Forest View will soon come to an end. The memories of our high school years will be treasured in our hearts. As we started freshmen year we were unsure of many things. F.V. was big and so were the seniors. We hurried to class, making sure we didn't walk into the wrong room. Sophomore year was better. Getting involved in activities

made it easier to make friends. When junior year came, we discovered our areas of talent. School became more important as we tried to set goals for the future. As senior year came we felt more independence. Colleges were finally decided upon. Forest View will remain the foundation of our adult years

The *Viewer* and *Talon* are the official publications of the student body.

The school emblem was presented in 1968.

The graduating class of 1978 donated a water fountain to beautify the Forest View courtyard.

Gymnast Nina Dziem won three gold medals in floor exercise, balance beam, and parallel bars at the state championship.

Lorelei Ward was a Junior Miss finalist.

Tedd Pierce was a National Merit Scholarship finalist.

## STUDENTS' WORK IS REWARDED

Awards were given to students who excelled in various areas of interest. Speech Team members Arlene Manelli, John Concepcion, Kevin Holden, and Pete Konecki won "Gold Keys" at the Tournament of Champions. The Jazz Combo placed first at the Western Illinois Jazz Festival. Colorguard won "Best Colorguard" at the Northern

Illinois Tourney. Al Locascio won the National association of Jazz Educators "Most Outstanding Soloist at Any Festival" twice. The varsity soccer team were the MSL Conference Champions. The varsity basketball team won first in the MSL South Division. Jackie Sinkler was the Illinois State Bowling Champion.

Nick Racz won All-District and All-State in soccer.

The varsity basketball team won first place in the MSI South Division.

Junior wrestler Ron Anderskow placed second in Districts and fifth in Conference.

Sherri Brinkman was All-Conference and All-Area.

Bowler Jackie Sinkler was the individual state champion, while Terri Michaelson bowled a two-day high series.

Speech Team members display their first place awards won at various tournaments.

These artists' portfolios were entered into the Scholastic Art Exhibition in New York.

# Talon

## 1981 Volume XIX

The theme of the '81 Talon is "We ARE Forest View." The yearbook staff chose this theme because we felt the students needed a book that would focus on the people of Forest View. In structure, all schools are similar, but it is the individual students that set a school apart. We strived to capture in pictures and copy the varied faces, personalities, and life styles that combine to form our school. Each student contributes in his own way. Our school would not be as special without the contribution of all 2,523 people. We hope you enjoy this book as much as we enjoyed putting it together. Remember, YOU are the 1981 Talon.

We would not have been able to complete this book without the help of the following people:

- . . . The coaches, play directors, club advisors, dance sponsors, and department/division heads who were generous with their time when interviews and identification of pictures were needed.
- . . . Mrs. Riley for making our many phone calls to the printer and photographer.
- . . . Mr. Showers and Student Council for confirming dates and allowing posters to be hung.
- . . . Mr. Bob Moorhead, Diane Burnham, and the rest of the Walsworth staff for putting our book together.
- . . . Anthony Photographers Inc. (Tom, Mike, Chris, and Joe) for capturing those special pictures.
- . . . For the extra pictures supplied by Bill Yaccino, John Hillary, Al Beard, Dave Good, George Reynolds, and Mike Statch, which we never could have done without.
- . . . Our hardworking staff who put up with our last minute changes.
- . . . And finally we are most grateful to Miss Veronica Murphy who guided us through the year with her sincere concern and deep dedication.

We were all a part of the school . . .  
 We established our own special places.  
 Our friends, teachers, and experiences  
 Have left their mark on our memories.  
 When these are put together . . .

We *ARE* Forest View.

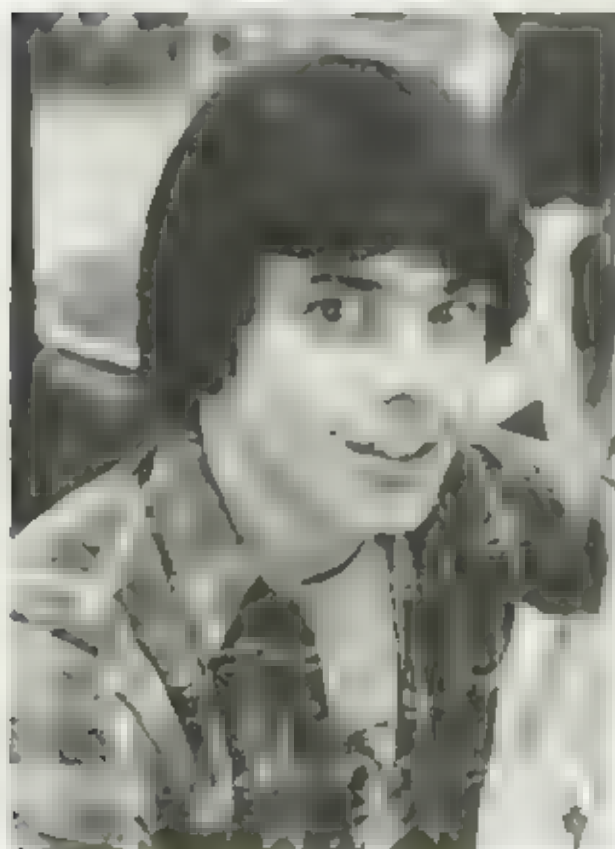

Each of us developed differently . . .  
Our academics, activities and school events  
Shaped us into the individuals we are today.  
As we discovered new horizons . . .  
We *ARE* Forest View.

**The students,  
The teachers,  
The faces,  
. . . ARE Forest View**

Wks -  
My very best  
wishes for your future.  
Keep it up - you've got it made.
